

## Electronics Testing Center, Taiwan

No. 8, Lane 29, Wenming Rd., Guishan Shiang, Taoyuan County, 33383, Taiwan, R.O.C.

Date: 1/13/2012

Federal Communications Commission

To Whom It May Concern:

We, Electronic Test Center Taiwan (ETC), acknowledge the issues identified by the TCB and FCC and have every intension to address and resolve these concerns. We fully understand the urgency of this specific application and therefore will focus on preventive measures to eliminate similar issues for future projects.

In recognition to the issues raised, for future FCC projects, ETC will follow all applicable KDB test procedures and TCB/FCC guidelines. All test items and test conditions will be checked against relevant KDB test procedures, and the test results checked for correctness and accuracy prior to submitting the test report. When applying test reduction techniques, ETC will check to ensure the test reduction is in accordance with relevant KDB test procedures; and when in doubt, ETC will seek advices from TCB and/or FCC. In addition, ETC has every intension to address and resolve any specific measurement issue identified by the TCB or the FCC during the review process.
