Attn: OET Dept.

Product/ Model Number: Screeneo / HDP1590, HDP1690

Regarding FCC guidelines for UNII Client device without Radar Detection identified in KDB 848637:

[KDB 848637; Publication Date: 05/20/2011; Section iv. "A Statement of Conformity for the Client in Non-Associated mode is required. The Form 731 application must include a Cover Letter Attachment stating that the client software and associated drivers will not initiate any transmission on DFS frequencies without initiation by a master. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes."

We declare that the client software and associated drivers will not initiate any transmission on DFS frequencies without initiation by a master. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes.
