

07. November.2013

Dear Sir/Madam,

Subject: **Declaration Letter about modular approval**

Atmel Norway AS HEREBY DECLARES THAT

Product Name:	ATREB233-XPRO
Model No.:	REB233-XPRO
FCC ID:	VW4A091887

The REB233-XPRO is a reference board meant to be marketed along with the Xplained PRO series boards. Together with Xplained PRO board, the REB233-XPRO will be sold to users who want to evaluate the AT86RF233 Transceiver for Hardware and Software development. The REB233-XPRO will be sold through Atmel store and also through Atmel's distributors.

The Xplained PRO board used for testing the REB233-XPRO is a typical host used for Software development and testing and is meant for lab use only. This product is intended to be used by professional users for software development and as a Hardware reference. It is not meant for general public.

Sincerely,

Signature: 
_____.
