Date: 11th December 2020

Declaration on user access to WiFi and/or cellular network

To Whom It May Concern,

Owing to special nature of our POS, the settings can only be accessible by Technical support team. Once it is setup, user cannot change it. Our technical support team will either enable WiFi or cellular network depends on specific site requirements. Hence, user cannot have both WiFi and cellular network operating at the same time.

Thank you.

Sincerely.
