Re: EDR function not be opened for BM-1113Bluetooth Headset and BM-1308Bluetooth EZ Carkit Content:

Considering that CUBIX 3C Corp. did not ask SGS Taiwan Ltd. to test the EDR function part, so we hereby declared that the EDR function will not be opened for these two items of BM-1113Bluetooth Headset and BM-1308Bluetooth EZ Carkit consigned by our company to SGS for FCC certification testing on DEC.19, 2007, and SGS Taiwan Ltd.will not list EDR function in the FCC document summitted.

Certificated hereby!!
