Gentlemen,

In accordance with 0.459 of CFR 47, M/A-COM RFID hereby requests confidentiality of all Block Diagrams, Schematic, Label Artwork, Operation Descriptions, and User Manuals attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which M/A-COM RFID considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, M/A-COM RFID considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to read "Graham Wells", is written over a horizontal line.
