BECEEM

Date: 2010/01/21

DECLARATION

To Whom It May Concern

This is to declare that the following WiMAX product, designed and manufactured by **Motorola Inc.** is compliant with the following:

FCC ID: VYO-USBW25200
Model Name: USBw25200
Product Name: WiMax USB dongle
WiMax chipset provider: Beceem

The Beceem software release 5.2.64p2 for this product has a configuration parameter (BamcEnable) set to 0. With this parameter setting, the USBw25200 instructs the Base Station not to use Band AMC.
