

## Description of Permissive Change

This device, Dome Base, was granted on 11/22/2010. The report is prepared for FCC Class II Permissive Changes for the modifications of the device.

Compared with the original device, Report No.: RF990716E09, the differences are as the following:

- The color and the shape of housing
- Antenna location
- Product name and model name of the device

Original	
Product name	Model name
Dome Base	ARG-1000
Addition	
Product name	Model name
Ferrari car	ARG-0510

Except listings above, the others are the same as the original device.
