Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component, labeled 'View 3', placed on a blue textured surface. The component is rectangular and populated with various electronic components, including integrated circuits, resistors, and capacitors. A metal ruler is positioned vertically to the left of the component, showing a scale from 1 to 12 cm. Another metal ruler is positioned horizontally below the component, showing a scale from 1 to 13 cm. The component's length is approximately 12 cm, and its width is approximately 1.5 cm.
Solder Board-Component View 4	 A photograph of the same green PCB component, labeled 'View 4', showing the reverse side. The component is populated with various electronic components, including integrated circuits, resistors, and capacitors. A metal ruler is positioned vertically to the left of the component, showing a scale from 1 to 12 cm. Another metal ruler is positioned horizontally below the component, showing a scale from 1 to 14 cm. The component's length is approximately 12 cm, and its width is approximately 1.5 cm.
