Re: Class 2 Permissive Change
FCC Rules: Part 87

Gentlemen:

Please accept the submitted information for review and processing of Class 2 Permissible Change of Authorized equipment. The design contained obsolete components which required update, revision, and replacement. The design remains electrically equivalent as original design and application. The form 731 and application have been electronically submitted and any attachments will be up loaded to your web site to be used in obtaining equipment authorization grant of certification.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

Scot Rogers
