

NORTEL

24 August, 2009

Equipment Authorization Division
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: VZTNT2410AA

Product Name: NT2410AAE5, Universal Radio Module (URM)

Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commission rules, we hereby request that the following documents and materials be held confidential:

NT2410AAE5 700MHz Universal Radio Module, sub assemblies NT2471AAE5, NT2421AAE5, NT2441AAE5, NT2461AAE6 and Duplexer NT1901AAE6 as stated below, as well as any and all associated design documents for NT2410AAE5.

- Schematics
- Block diagram
- Bill of Materials
- Operational and Technical Descriptions
- User Manuals
- Internal Photographs

Nortel Networks request that the internal photos be held confidential as this product is a non-consumer device and is inaccessible to the general public. In addition, this product is only serviceable by the licensee or his designated technicians.

The user manual contains highly technical information about our product and is only available to trained and authorized service personnel. It is not available to the general public. This equipment is not available to be sold to the general public and can only be accessed and installed by trained service personnel under NDA (Non Disclosure Agreement) with Nortel.

These documents contain Nortel company proprietary information (or that of our suppliers provided exclusively for approval disclosure purposes only) in addition to trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to Nortel Networks and provide unjustified benefits to our competitors.

Please contact the undersigned should additional information be warranted.
