**Subject: Request for Change in Identification per section 2.933 of FCC Rules**

**To Whom It May Concern**

This Request for Change in Identification applies for a new FCC ID as established in 47CFR 2.933(b) for a currently approved device. This application by "Aerotel" will establish a new FCC ID under "Aerotel" grantee code for purpose of marketing.

The original grant to "CINTERION Wireless Modules", FCC ID: QIPMC55I will remain in effect.

An authorization letter by "CINTERION Wireless Modules" is attached.

Per 47CFR 2.933(b):

1. The original identification used on the equipment prior to the change was QIPMC55I.
2. The equipment authorizations were originally granted on January 23, 2008.
3. The device will be electrically identical to the equipment prior to the change in identification.
4. The original test results continue to be representative of and applicable to the equipment that will bear the changed identification.
5. Exterior photographs are included in this application.

Sincerely,

A handwritten signature in black ink, appearing to read "Itsik Ben David".

Itsik Ben David  
R&D Manager  
Aerotel Medical Systems Ltd.
