Subject: Antenna Specification  
FCC ID: W22-AAP400

To Whom It May Concern

Altierre attests that the antenna used for shipment in Altierres W22-AAP400 product is a Nearson S171AM-2450S as shown in the accompanying specification which uses an SMA plug type connector. The other types of connectors shown in the diagram are for other products manufactured by Nearson but not used by Altierre.

A handwritten signature in blue ink that reads "Kenneth R. Cioffi".
