Subject : Multiple Listing Application

Company : Fuji Film Corporation

FCC ID : W2Z-ASK300

Model : ASK-300

This is to request a Multiple Listing Application for FCC ID: W2Z-ASK300. This is same device with already granted model: BGBCP-D70DW (Model: CP-D70DW) which applicant is Mitsubishi Electric Corp, granted on July 23, 2010.

Granted model BGBCP-D70DW and new model W2Z-ASK300 are totally same device, therefore no modification was made in radio/electrical characteristics and the product still complies with Part 15 Subpart C of FCC rules.

We would like to get grant ASK-300 as OEM model.

Sincerely,

Hiroshi Ikarashi
