Dear Examiner,

Our client SMS Smart Micro Sensors is seeking a C2PC change for the already certified device with the **FCC ID: W34UMRR0A**

The changes are listed in the Declaration letter from the client! **The radar device itself and the HF part will remain unmodified!** Only the 15.245 certified frequency and power settings (via Firmware) are supported in the provided sample/mode. The mode under the certified § 15.249 will not be changed!

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Mr. Thomas Ring
