Re: Authorization of Use - FCC ID: AU792U09G17825:

To Whom It May Concern:

This letter grants authorization for representatives of Coulomb Technologies, Inc. to apply to the FCC for their own identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Multi-Tech Systems, Inc., FCC ID: AU792U09G17825 and is only for the purpose of certification under their own name and FCC identifier. All Multi-Tech Systems information deemed confidential during our original submission must remain confidential.

We are aware that Coulomb Technologies, Inc. intends to market the above referenced product under their own FCC ID: W38-17-001008-01.

Sincerely,

Terry Boe
Engineering Manager – Certifications
