Subject: Request for withholding from public disclosure the schematic diagrams, block diagram, and operational description pursuant to an application for certificate.

FCC ID: W3Z-D9801

Gentlemen:

We Gatekeeper System (HK), Ltd., would like to request that all schematics, block diagram, and operational descriptions submitted with our application for certification be withheld from public disclosure per Section 0.459 of the FCC rules.

This request is made under the provisions of Section 0.457(d) of the Commissions rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

Gatekeeper System (HK), Ltd., is aware that the exhibits (all schematics, block diagram, and operational descriptions) have been publicly available since 09/30/2009 (date of grant) until 2010-05-31 (the documents are request kept confidential)

If you have any questions or need any additional information, please give me a call at (852) 2413 3050.

Sincerely,
For and on behalf of
