Equipment Authorization Division
Office of Engineering and Technology
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Dear Sirs:

[Gatekeeper Systems \(HK\) Ltd](#) requests acceptance of the labeling proposal described below for [W-9470B](#) bearing FCC identifier [W3Z-W9470B](#).

The subject W-9470 models as shown in figure 1, authorized under FCC Part 15 Subpart C

figure 1

It is because the surface of the device does not enough to indicate the FCC statement. For this reason, Gatekeeper Systems (HK) Ltd proposes those statements is showing on the user manual and the device is carrying the FCC ID number only. The figure2 is showing the FCC ID location.

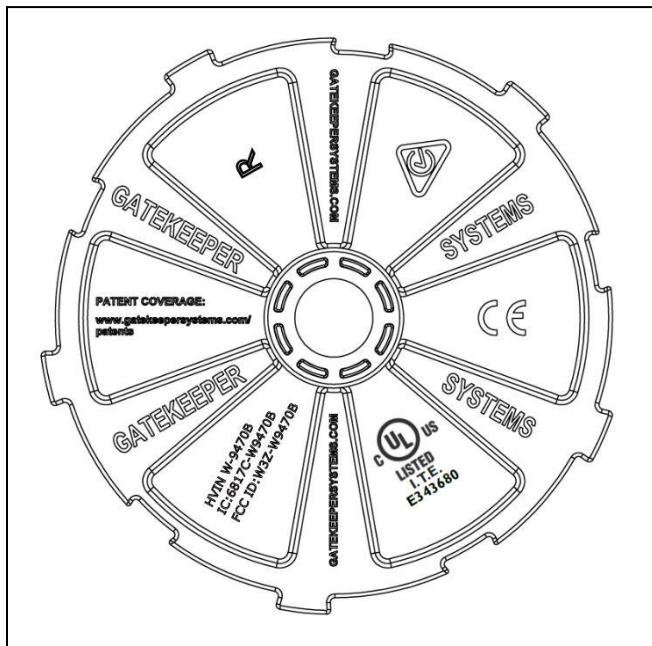

figure 2

Following statement will ne removed from the product:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user

is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.*
- Increase the separation between the equipment and receiver.*
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.*
- Consult the dealer or an experienced radio/TV technician for help.*

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Steve Hannah', is written above a dashed horizontal line.
