Dear Sir or Madam:

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7ME910C1WW, original grant date of September 28, 2018, for its radio module which carries the Telit Communications S.p.A. model number ME910C1-WW.

This letter will grant permission on a one-time basis to Zoll Manufacturing, a company in the United States, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Communications S.p.A. understands that Zoll Manufacturing must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the Zoll Manufacturing product called LifeVest LV5100 FCC identifier W56LV51C1BW0 and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the ME910C1-WW to Zoll Manufacturing, unmodified and equivalent to the originally certified unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

Brian Tucker
SVP Quality Management
