Ref: Class II permissive change request letter

ZOLL Lifecor Corporation is submitting this request for a Class II Permissive Change application to permit the use of the Zoll Lifecor WiFi Module model: MTPCIE-BW (FCC ID: W56MTPCIE-BW-A) with a new Taoglas FXP73.07.0100A antenna in the ZOLL Lifecor Corporation LifeVest system. No changes or modifications have been made to the radios.

Verification of changes were made to ensure continued compliance and to verify requirements for body worn devices, which are included in this Class II Permissive Change application.

Model MTPCIE-BW is referred to as Multi-Tech Model MTPCIEBW in the supporting test reports. Both of these names refer to the same device.

Sincerely,

A handwritten signature in black ink that reads "Gene Partin".
