Symeo-Artikel ID:	LPR-1DHP-350	Document version:	0001
Model	BSX300350 (all variants/version)		
Valid from	2023-July-01		
Reason	Labeling of devices with all necessary information.		
Changes	None	Approved:	

Instructions

The Symeo LPR-1DHP-350 devices must be equipped with two labels containing all necessary information.

The labels are fixed on the left- and right-hand side of the housing.

The devices are equipped with labels after successfully running through the device's final production test. The labels are printed by the final production test.
