Pursuant to FCC 22-84 Report and Order and KDB 986446 D01 Covered Equipment v01, the Commission adopted new FCC requirements to protect the nation's networks and supply chains from equipment that poses an unacceptable risk to national security or the safety of U.S. persons. Specifically, the Commission adopted rules that prohibit equipment authorization for "covered" telecommunications equipment and video surveillance equipment produced by entities identified on the Commission's Covered List.

Certification designating a U.S. agent for service of process. As required by section 2.911(d)(7), the applicant must designate a contact located in the United States for purposes of acting as the applicant's agent for service of process, regardless of whether the applicant is a domestic or foreign entity.

An applicant located in the United States may designate itself as the agent for service of process.

1. If the agent is different from the applicant. Then attestation needs to be signed by both the applicant and the designated agent for service of process
2. Inclusion Solutions, LLC ("the applicant") consent to accept the service of process.
3. Inclusion Solutions, LLC. 2000 Greenleaf Street, Suite 3. Evanston, IL 60202
4. Inclusion Solutions, LLC. FRN number. 0018516005

Inclusion Solutions, LLC acknowledges to maintain an agent for no less than one year after the grantee has terminated all marketing and importation or the conclusion of any Commission-related proceeding involving the equipment. If the agent changes then the TCB and the FCC must be notified.
