### A letter of explanation

Dear my friends,

For the product RNX-N360PC, actually it is 2T2R product. But the user manual in the FCC website contains wrong information that shows RNX-N360PC is a 3T3R product. So we delete the information about 3T3R in the user manual and want to replace the user manual in the FCC website.

Thanks a lot.

Warmest Regards,
