To Whom It May Concern,

Here is our request for FCC Filing:

This is to request a Class II permissive change for FCC ID: **W72-N1LD**,
originally granted on **02/22/2019**.

The major change filed under this application is to add an additional antenna type and support circuitry to
the certification:

Antenna 1: Dipole antenna with 3dBi gain at 2.4-2.5GHz.
External support circuitry for W72-N1LD.

Please let us know if you have any questions.

Regards,

A handwritten signature in black ink, appearing to read "Jon Hallam", with a long horizontal line extending to the right.
