Re: Permissive Change Authorization for RF Exposure Collocation Evaluation

Gentlemen:

We, Powerhouse Dynamics, Inc. have been authorized by Microchip Technology Inc. to apply for a Class II permissive change for their module FCC ID: W70ZG2100-ZG2101. The purpose of this permissive change filing is to demonstrate compliance with the RF exposure limits when this module is collocated with a 2nd module with FCC ID: OA3MRF24J40MB in our end products.

Sincerely,

Benjamin Sprachman,
Vice President, Engineering
