---

**Request for Class II Permissive Change**

FCC ID: W8UL32HDF11TA

Date: 2011-9-1

Please be notified that we, the undersigned, TTE Technology, Inc., declare that the reasons for this Class II permissive change are as below:

Power Supply Board is changed from type PWL3222 to PW152C2. The new power supply board has different PCB layout and circuit design from the old one.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Sannella", written over a horizontal line.
