Congratulations on your purchase!

IMPORTANT: Just in case your newly purchased TV needs to be serviced, please keep the original packaging materials and original receipt. Damage to a Product returned to Hisense for service due to inadequate packaging, will void your warranty.

Hisense USA Corporation ("Hisense"), hereby warrants to the first end user consumer purchaser ("Purchaser") for this Hisense™ television ("Product"), when shipped in its original container and sold or distributed in the United States and Puerto Rico by an authorized Hisense dealer, and provided that this Product was not sold either "as is", "with all faults", "sales final" or per similar terms, that this Product will, during the applicable warranty period as stated solely in this Limited Warranty, be free from defects in material and workmanship. Hisense will, solely within the applicable warranty period, and at Hisense's sole discretion, either repair the defective Product or provide the Purchaser with a **like new or refurbished product of similar or better quality**.

ON-SITE SERVICE:

Certain Products are eligible for on-site service at Hisense's sole discretion. To obtain on-site service, Purchaser must call or email Hisense as described above to trouble-shoot the issue with the Product. Hisense customer care representatives may determine Product eligibility based on Purchaser's description of the issue, which may result in a determination that the Product requires shipment to Hisense's warehouse in lieu of on-site service. On-site service may not be available in certain locations where an authorized service provider is not available. An authorized service provider is considered unavailable if the Purchaser's location exceeds fifty (50) miles from the service provider's business address. In the

Warranty for USA

event that on-site service is not available, the Product must be shipped to Hisense's warehouse. Products returned to Hisense should be shipped in original or equivalent packaging. Purchaser is responsible for delivering the Product to a reputable shipper. If Purchaser is unable to secure proper packaging or shipping services, Hisense may, at its sole discretion, provide packaging and shipping.

On-site service requires that our authorized service provider be given clear, complete, unobstructed and easy access to the front and rear of the Product. On-site service does not include that the service provider removes, reinstalls or transports the Product. It is possible that certain on-site repairs will need to be completed off site, and at Hisense's discretion, require that the Product to be shipped directly to Hisense's warehouse. All panel replacements or repairs require that the Product be returned to Hisense's warehouse. Once Hisense receives the Product and repairs or replaces it, Hisense will return the repaired/replaced Product back to the Purchaser.
