Dear Sir/Madam,

Verykool USA Inc has already certified S810 product (FCC ID: WA6S810). However, we would like to apply for Class II Permissive Change to add Hearing Aid Compatibility. Meanwhile, we would like to authorize CETECOM (Shanghai) Testing and Consulting Co., Ltd as our agent and PHOENIX TESTLAB GmbH as our TCB to act on behalf of Verykool USA to proceed this change.

Thank you very much.

Sincerely,
