Subject : Beam Forming not supported

FCC ID: WA7-AR5BHB112

To Whom It May Concern:

The WA7-AR5BHB112 module is controlled with SW drivers designed by Fluke Networks integrated with Fluke Networks designed PCAs that conform to all frequency and power limits. The module is integrated with controlled Fluke Networks software that does not support beam forming and is tested to meet our application requirements at our US manufacturing facility.

Sincerely yours,
