

Class II Change Letter

Date: 2018-03-07

To whom it may concern,
Request for Class II Permissive Change

Product Name:	<u>EZ-BLE PSoC XT/XR Module</u>
FCC ID:	<u>WAP4110</u>
Model No.:	<u>CYBLE-224110-00; CYBLE-224116-01</u>

Modification:

1. Update the SAR Exemption Evaluation Report for the products
2. Add the following description in the certificate:
"This device is approved for portable use with respect to RF exposure compliance."

The RF character and all specification of these modules are the same.
