

This product is equipped on the boat and sold, so there is no user manual in a user because it is not sold directly.

We ask to mention the following sentences in the manual of the boat.

FCC:

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions;

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received,

including interference that may cause undesired operation.

FCC WARNING :

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
