Letter Addressing FCC Label Location

FCC Authorization & Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

Ladies and or Gentlemen:

The tvCompass WiFi remote DMR1 has 2 FCC labels in order to meet the FCC labeling guidelines. One label is permanently attached inside the battery compartment and the other is visible to the consumer on the outside of the packaging. The outside label is on the same package surface as the UPC code, warranty label and copyright information for the product. Pictures of art card and handset label are in Pictures 1,2 and 3 respectively. The two part warning statement in Section 15.19(a)(3) is in the user manual.
