Applicant: AQUATIC AV

FCC ID: WBQAQSWA86BT2

Subject: Professional installation

The product will only be installed to professional technical personnel as appointed by us or our dealer. We sell only to manufacturers of Spa's, hot tub, swimming pool, and boat makers. The intended use of the device is not for consumers and general public; rather device is generally for industrial/commercial use.

Because the device installation process is complex, unique, sophisticated and the specificity of installation sites. the installation must be controlled and requires special training (special programming, access to keypad, field strength measurements made)

The following are details of our antenna to be connected to the EUT.

Antenna Model	Manufacturer	Gain(M ax)	Antenna Type	Connection Type	Frequency Range(GHz to GHz)	Cable Length
AQ-BTANT-1	AQUATIC AV	2.0dBi	Dipole	SMA	2.400 ~ 2.480	1 meter

Please contact the undersigned if you have any questions or need any further information.
