Subject: Description of Permissive Change

Dear Sir/Madam,

We, [Aerohive Networks, Inc.](#), hereby authorize Bay Area Compliance laboratory Corp to act as a laboratory for testing and test report generation for the following project:

FCC ID: [WBV-HIVEAP330](#), Model: [AP330](#), Product Type: [Access Point](#)

This project is a Permissive Change II submission for the purpose of following:

1. Decrease frequency band capability, disabling DFS bands
2. Update W58 band from DTS to NII

Note: There is no hardware change for the APs, the DFS frequency bands are disabled with the software by manufacture. The third party and end users will not be able to modify the radio parameters to select the channels that need DFS in the US.

We affirm that between BACL and [Aerohive Networks, Inc.](#) any difference in understanding, including test plan, measurement methods, applicable standards and relevant procedures and processes have been resolved prior to commencement of testing activities.

This authorization is valid until further written notice from the applicant.

Sincerely,

A handwritten signature in blue ink, appearing to read "CP Wilson".
