

The image shows the back panel of a Jam Street Wireless Speaker. It features a central control area with a speech bubble icon containing three horizontal lines, a small circular indicator light, a USB-C port labeled "CHARGE", and a 3.5mm audio jack labeled "AUX". There are four circular mounting points around the central area. The bottom section is a black label with white text containing the brand name, model number, FCC ID, input specifications, and manufacturing information.
