## Request for Confidentiality

Date: _January 5, 2012		
Subject: Confidentiality Req	uest for: <u>WEF-UVCIC</u>	LASS (OM75) and WEF-UVC4041 (4041)
Pursuant to FCC 47 CRF 0.4 part of the subject FCC appl		IC RSP-100, Section 10, the applicant requests that a ential.
Type of Confiden  Short Term	tiality Requested  ☑ Permanent* ☐ Permanent ☑ Permanent ☑ Permanent ☐ Permanent	Exhibit Block Diagrams External Photos Internal Photos Operation Description/Theory of Operation Schematics Test Setup Photos User's Manual
Stanley Security Solution, Indifirst of its kind in industry. Ha	ving the subject inform	——— al effort in developing this product and it is one of the mation easily available to "competition" would negate the product. Not protecting the details of the design will
	xhibits listed above as	s permanently confidential be permanently withheld from acrets and proprietary information not customarily
Equipment Authorization and prior to marketing or release to notify ACB in the event info	chibits selected above mber of days not to e prior to marketing. T of the product to the pormation regarding the	e as short term confidential be withheld from public view xceed 180) <sup>2</sup> days from the date of the Grant of his is to avoid premature release of sensitive information bublic. Applicant is also aware that they are responsible product or the product is made available to the public. for public disclosure pursuant to FCC Public Notice DA
NOTE for Industry Canada	Applications:	

<sup>&</sup>lt;sup>1</sup>The Asterisked items (\*) require further justification before permanent confidentiality will be allowed. These also currently require review by the FCC under their Permit-But-Ask policy before the grant is issued and can be delay completion of an application. Further justification should be added to the note above. One such example for potted device would be: "The EUT is FULLY potted using a non-removable epoxy based material. Removal of potting material causes irreparable damage to internal circuitry. See photographs exhibits that outline the device before and after potting," <sup>2</sup> Please refer to <a href="http://acbcert.com/documents/mise-docs/Memo-Short-Term-Vs-Standard-Confidentiality.pdf">http://acbcert.com/documents/mise-docs/Memo-Short-Term-Vs-Standard-Confidentiality.pdf</a> for complete details.

10.		
Sincerely,	O(1)
