Subject: Justification for the Label location
FCC ID:WEK-SL-01M

We, Semilink Inc., as manufacturer (Owner of technology) of the model SL-01M (FCC ID: WEK-SL-01M), provide the label statement letter according to the label statement policy KDB 784748 D01.

The available label area on the device (SL-01M) is limited because it is relatively small and has many contoured surfaces, keypads and battery cover.

The label will be attached on the battery cover of the device.
SL-01M is designed so that it can not be easily opened by users and the screw prevents the battery cover from falling or detaching off easily from the device.

It is practically not possible to use this device without the cover when the battery cover is removed for charging or replacement.

Sincerely Yours,

Nam-Suk, Kim
Manager
Semilink Inc.
