Re : FCC ID: **WFE60001**

Dear Sir/Madam,

**Playmind Ltd.** requests acceptance of the labeling proposal described below for **U-Boat** bearing FCC identifier **WFE60001**.

The product is a **27.145MHz Transmitter** which shown in the following figure.

Because the majority of the device housing is too small, there is extremely limited space available to attach the required label carrying both the FCC identifier and statement. For this reason, **Playmind Ltd.** proposes placing FCC statement in the user manual.

Yours Faithfully,

(Contact Person) Edison Wong
