Re: Change of Identification Authorization, FCC ID: M4ZIN610

To Whom It May Concern:

This letter grants authorization for representatives of RF Controls, LLC to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to 3M Traffic Safety Systems IN610, FCC ID: M4ZIN610, which is a RFID interrogator. 3M Traffic Safety Systems is aware that RF Controls, LLC intends to market the above referenced product under their own FCC ID: WFQIN610 as part of their antenna system with integrated RFID interrogator.

Sincerely,

A handwritten signature in blue ink, appearing to read "Raymond Chiu".
