Re: Multiple listing for an Unlicensed Low Power Transmitter

Equipment: 433.92 MHz Security Alarm Transmitter

New Grantee: Keyscan Inc.

FCC ID: WFW-KTX2

IC: 5241A-KTX2

Model: K-TX2

Original Grantee: Farpointe Data Inc.

FCC ID: T8I-RANGER2

IC: 6504A-RANGER

Model: WRT-4

Hello,

Keyscan Inc. will be marketing the referenced Farpointe Data product under their own certification number and model number. The electronics are identical to the Farpointe Data product the case has minor cosmetic differences. If you have questions or need further information, please don't hesitate to contact me.

Sincerely

Rob Hendrickson
