

### **Manual Requirement of FCC**

Our product (FCC ID: WJ6ICM0M0-1X90) will be sold and installed into certain end products. Therefore, we will not supply the user's manual. However, we will ask the end-product manufacturer to include following statements in the end-product user manual in accordance with FCC requirements.

Also, Installation manual is included in Theory of Operation as it contains technical confidential information.

### **Requirement for User Manual**

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

### **FCC CAUTION**

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Properly shielded and grounded cables and connectors must be used for connection to host computers and / or peripherals in order to meet FCC emission limits.

### **NOTICE**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures :

- Reorient or relocate the receiving antenna

- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Requirement for Product Label**

we will ask the end-product manufacturer to affix the following on the end-product.

- Contains FCC ID : WJ6ICM0M0-1X90
