Dear Examiner,

With the following Conf Request Letter, our client Kathrein Sachsen GMBH wants to have the Internal Photos and Installation/User Manual of this project being held confidential.

The main reasons are:

- not protecting the internal photos would result in financial hardship
- the device is not accessible to the general public and will be mounted in industrial environment that is only serviceable by the licensee or designated technicians (professional installation)

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Mr. Thomas Ring
