Dear Sir or Madam:

We, Ericsson (China) Communications Company Ltd., confirm that the following statements required by FCC part 15.105 and FCC part 15.21 will be included in the final Technical Product Description for RRUN19-22 / KRC 161 170/5 (FCC ID: WODFKRC161170-5)

(1) This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

(2) All Ericsson devices are designed to be compliant with rules and regulations in locations they are sold and will be labelled as required. Any changes or modifications to Ericsson equipment, not expressly approved by Ericsson, could void the user's authority to operate the equipment:

The final document will be submitted to you when it is ready.

If you have any questions, please do not hesitate to contact with me.

Sincerely

**Xiaoying Jiang**
