**Overall Assessment Letter for Ericsson (China) Communications Company Ltd RRUN19-22;  
Model KRC 161 170/5**

**FCC id: WODFKRC161170-5**

I have reviewed this application and find it compliant. This is an application for a 1900MHz GSM/EDGE Base Station.

As a result of the assessment review, additional exhibits were submitted. Test set-up photos were updated and submitted which show a wide-angle view of the antennae and turn-table for radiated emissions. The applicant provided a cover letter which states that the statement relating to 47CFR §15.105 and §15.21 would be in the final version of the user manual. A power of attorney letter was provided from the applicant and an updated confidentiality letter was received.

Yours sincerely
