Dear Sir:

In accordance with 47 C.F.R. Section 0.459, we would like to request confidentiality on exhibits we submitted for above application for the reason of trade secret. If those exhibits are available for public inspection, any person who once gets the information contained in those exhibits will be able to design and to make the same products very easily. This is a very serious problem and huge loss for us, because we did invest so much on it.

Please do not let the Exhibit Types listed below routinely available for public inspection:

Block Diagram, Schematics and Operation Description.
