Dear Sirs;

Feb 1, 2016

The relationship between the two companies, Flair Agency and Nextlink Video Communications, is to insure safekeeping and protection of our trademarks, copyrights, intellectual property, designs, license agreements, registrations, etc.

We transfer, assign or give the above items to Flair to prevent theft or misappropriation of our products and technology.

Thank you for your request. Please feel free to contact us direct for any questions or additional information.

Thank You again,

Sincerely,

A handwritten signature in black ink that appears to read "Van Sarkiss".
