RE: Long Term Confidentiality Request for MWTC Series Transmitter FCC ID: WR3-MWTC-2 ; IC:8205A-MWTC2

To Whom It May Concern:

This letter serves as an official request for long term confidentiality under sections 0.457 and 0.459 of CFR 47. Omega Engineering, Inc. (Omega) requests that schematics, block diagrams, operational descriptions and Bill of Materials/Parts Lists that have been submitted with this application be considered trade secret information and **permanently** withheld from public view.

The above documents have not been publicly disclosed and are trade secret information of Omega. These documents are proprietary and confidential intellectual property of Omega. If this information was obtained by our competitors it could irreparably harm Omega. Please contact me for any further information you may need.

Sincerely,

A handwritten signature in cursive script that reads "Stephen Waite".

Stephen Waite
