RE: Short Term Confidentiality Request for UWM-0001 Modular Transmitter FCC ID: WR3-UWM100

To Whom It May Concern:

This letter serves as an official request for short term confidentiality under sections 0.457 and 0.0459 of CFR47. Omega Engineering, Inc. requests that Test Setup Photos, External Photos, Internal Photos, and Users Manuals that have been submitted with this application be **held confidential for a period of 45 days after the grant is issued.**

The documents mentioned above contain detailed information and descriptions of the operation of our equipment. Omega Engineering, Inc. considers this information to be proprietary, confidential and a custom design. Since this design may be the basis for future products we feel this information would benefit our competitors. Furthermore disclosure of this information would give our competitors and unfair advantage. Please contact me if you need any more information.

Sincerely,

A handwritten signature in cursive script that reads "Stephen Waite".
