TUV SUD BABT FCB
Octagon House,
Segensworth Road,
Fareham,
Hampshire,
PO15 5RL

Dear Sir or Madam,

The outer dimension of the unit measures 10cm x 10cm and the area available for markings is reduced by a 3.5cm x 3.5cm opening at the center of the unit for electrical connections. The size of the unit is smaller than a palm and the area available for marking is definitely smaller than the area of a palm. Due to other markings, product identifications and regulatory information the area available for the 2 part FCC state is impractical to be placed on the unit. The 2 part FCC statement is placed on page 76 of the User Manual.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kashif Ahmed", with a horizontal line underneath it. The signature is written on a light yellow background.

Name: Kashif Ahmed

Title: Senior Hardware Engineer
