

## To whom it may concern

This is to confirm that for the below mentioned product with FCC and IC ID

**FCC ID: WR9WEM01**

**IC ID: 7981A-WEM01**

The 319MHz radio shown in the Schematics and Block Diagram was an option that is not included in the final product for cost savings. The module is a DNP on board. The population of the 319MHz radio module is controlled through already submitted production BOM and will not change.

Regards,

A handwritten signature in blue ink, appearing to read "Kashif", on a light-colored background.

**Kashif Ahmed, Senior Hardware Engineer**
